COMMANDER'S NOTE

Hello Squadron Members!

There's a lot going on, so let's get to it! In order by date!

1. Meeting Monday Night November 11. Not only is it Squadron-Board-Election-Time (so show up to VOTE!), it's Veteran's Day. We will be recognizing our member-veterans this Monday night. We appreciate your service and will reserve a time to show our appreciation.

2. Not one, but TWO flying events the first weekend of December! Saturday December 7 is a small-aircraft (under 10 pounds) Electric/Glider fun-fly at the Harbor Soaring Society (Fairview Park), and Sunday December 8 is the Toys-For-Tots toy-drive and fun-fly at Prado! Get all your planes out for these two events!

3. PLAN NOW FOR THE DECEMBER CHRISTMAS PARTY!!! The December meeting is our end-of-year Squadron Party! All members and their significant others are invited. Food, Prizes, Livations, Gifts! And, it's all FREE! BUT you MUST RSVP to attend!

Please RSVP Joni
Whitsittjo@gmail.com

What: Squadron Christmas Party!
Where: Our usual meeting spot!
Date/Time: 7pm Dec 9 2013

4. Hard to believe, but it's almost AMA Expo time again! We've reserved two booths, we have some great stuff to show, and it's going to be a blast! amaexpo.com January 10-12, 2014. Ontario Convention Center. We have a booth and we're going to need everyone on-deck for working the booth, selling raffle tickets, and promoting Squadron 2014 dates!

Thanks and recognition:

I would like to recognize Bob Rosenlof for demonstrating round-rivet and panel line techniques. His presentation was informative and detailed. Everyone in attendance was interested and thankful for his time and effort and GREAT information. Let's hope we can wrangle him up for another one! If you have a suggestion or request for a club meeting presentation, PLEASE let me know!

Finally, congratulations to PVMAC and their CD, Sam Wright, for hosting the spectacular Big Jolt 2013. Fun was had by all (I love saying that). It's amazing how scale planes have taken over this hobby and permeate ALL aspects of the hobby today!

Happy Landings and we'll see you Monday!!!!

SQUADRON MEETINGS

COME OUT TO THE MEETINGS!

Meetings are on the second Monday of every month at 7:00pm. Join Us and enjoy true scale aircraft modeling at it's best. Informal meeting with focus on scale aircraft models of any size or power. Bring your project in plans, partial construction or completed aircraft. We enjoy seeing them all and sharing scale techniques. Business is quick & painless, no politics! Coffee & Cookies at the break.

SCALE SQUADRON OF SOUTHERN CALIFORNIA THANK YOU SPONSORS!
