SCALE DIMENSION NEWS

COMMANDER'S MISSION BRIEFING

Mike Greenshields

MikeGreenshields@gmail.com

Nominations are On the WAY!

That's right, it's almost time to vote in the Board of Directors for the 2013 modeling year!

For those who are new, this is an overview of how it works: Each year the entire board must be nominated and voted into office by the general membership. So, we take nominations, put everyone on the ballot and vote. We start the notification process in September!

Nominations open at the October General Meeting.

We then take last-minute nominations at the November General Meeting.

At that same November meeting, we vote.

We will review the current board members, who is in what role, how elections work, etc. The Squadron By-laws DO have term-limits and a somewhat unusual way of making some final decisions about leadership. So, I can answer any

questions you all might have at the meeting. I will bring a copy of the bylaws in case we need them for reference.

UNCONTEST SEPTEMBER 23 SUNDAY!

I hope to see everyone out there. I know Bill Hart and Bob Rosenlof have put together a tremendous program and I plan on have a LOT of fun that day with all of you. Remember it's free, we'll need a few volunteers, and the event should be easy, fun, and informative. If you have any questions about the event PLEASE let me know!

The Scale Squadron is in great shape, we're going to have a great event, and we're looking forward to electing great Squadron Members for 2013. So PLEASE come to the event, come to the meetings, and let's have some fun!

Happy Landings!

-Mike

THE “UN-CONTEST” SCALE COMPETITION WORKSHOP

September 23, 2012

Bob Swenson Memorial Field - Black Starr
(www.flyocma.com for field information and driving directions)

Schedule of Events:

9am - Registration Starts

10am - Static Competition Seminar

11am - Flying Competition Seminar

The Un-Contest is an event designed to help modelers interested in scale competition learn the basics of scale competition, both the static and flight components. For experienced scale competitors this is your chance to hone your skills, get some flight judging practice with experience scale competition judges, and share information about what works and what doesn't in scale competition.

Unsure what scale competition is all about? This is your chance to learn the basics in a stress-free, relaxed environment.

This Event is FREE!

Requirements:

Static Competition Seminar: Just come out and listen or participate if you'd like. If you have a plane that you'd like help with maximizing your static scores, bring it!

Flying Competition Seminar: You can just listen in or bring a plane AND your AMA card (must be an AMA member to fly) and we'll walk you through a scale competition flight, judge it, and help you learn how to increase your flight scores!

All participants and visitors will be required to sign a property management liability waiver. Questions? Visit our website or contact us: www.scalesquadron.com

WHAT IS THIS AIRPLANE?

Can you identify this airplane? That is great, but don't tell your buddies. At the next general meeting we will give you a piece of paper for you to write your answer on. Your answer will go in to a drawing for the night of the meeting. In the past Hobby People have donated prizes for this drawing.

The next Squadron newsletter will contain detailed information about this airplane for your reading pleasure.
