# SCALE DIMENSIONS

THE OFFICIAL NEWSLETTER OF THE SCALE SQUADRON OF SOUTHERN CALIFORNIA  
FOUNDERS OF THE US SCALE MASTERS CHAMPIONSHIPS

# COMMANDER'S NOTE

Whew! I'm tired! I thought things would slow down but we seem just as busy as ever!

The fair was a great success due to Joni and Randy's hard work. The man behind getting RC into the fair, the man who started it all, Chip Mull, was in town and not only was at our last meeting to encourage people but he was in town to work the Squadron booth. It was great to see Chip.

In August we have two local events that really should be on everyone's Top Priority List. #1 The Semper Fi Fund Raiser and Model Aviation Day Fun Fly at OCMA. August 17<sup>th</sup>. Come on out to raise money for this worthy cause while we promote aviation. Randy Wilbur is the CD and has all the details.

The very next weekend at the VVRCF field in Hesperia is the Last Chance Qualifier. We're expecting a great turnout and a lot of new competitors. The Squadron will be helping with this event by providing some judges, contest help, etc. We're hoping we can see all of you out there to compete, help, or just have fun. See the flyer in this issue.

I want to tell you all the September meeting is going to be very special. Please reserve the date and please come out to the meeting. There will be a special event at the meeting. There will be food and drinks. Please wear your best Squadron Shirt and come to the September event.

Again, on behalf of the entire club, I want to thank those of you who have truly lead this club through these great events. Thank you to each and every one who has made these events so special. There's lots of fun to be had throughout the rest of the year!

See you at the meeting! At OCMA on the 17<sup>th</sup>, and at VVRCF on the 24/25<sup>th</sup>.

-Mike [Mikegreenshields@gmail.com](mailto:Mikegreenshields@gmail.com)

primarily used by  
Saudi Arabia and  
Israel.

# SQUADRON MEETINGS

## COME OUT TO THE MEETINGS!

Meetings are on the second Monday of every month at 7:00pm.

Join Us and enjoy true scale aircraft modeling at it's best. Informal meeting with focus on scale aircraft models of any size or power. Bring your project in plans, partial construction or completed aircraft. We enjoy seeing them all and sharing scale techniques. Business is quick & painless, no politics! Coffee & Cookies at the break.
